BAR

- 🌿 Sibuya supplies most drinks on a complimentary basis. This includes spring water, non-alcoholic beverages, beers, basic spirits and a limited choice of fine South African house wines.
- 🌿 At Sibuya we actively attempt to limit our carbon footprint. As plastic bottles from bottled water constitute one of the largest sources of pollutants in the world today, we actively discourage their use whilst resident with us. All guests are issued with a re-usable “Sibuya” bottle and we ask that you support us in our quest to reduce pollution and our carbon footprint, by refilling these bottles with purified spring water, rather than using the small disposable commercial bottles of water
- 🌿 Guests are welcome to bring their own premium wines, imported champagnes or premium spirits; alternately guests may order in advance and Catering will arrange on their behalf
- 🌿 Additionally, a select range of premium wines is available in the Lodge at nominal prices

BEDS

- 🌿 All beds in the suites are King or Queen size.

CELLPHONES

- 🌿 There is intermittent Cell phone signal in the Lodge and on the Reserve. We recommend that guests switch off and enjoy the tranquillity!

CHILDREN

- 🌿 Bush Lodge only accommodates children over 12 years of age who are charged the full adult rate

CREDIT CARDS

- 🌿 Any outstanding accounts must be settled at Reception prior to departure
- 🌿 Sibuya accepts payment by American Express, Diners Club, Master or Visa Cards

ELECTRICITY

- 🌿 The Lodge has 220v electricity

EMAIL, INTERNET AND TELEVISION

- 🌿 The Lodge has no Wi-Fi or connection to the internet
- 🌿 There is no television in the Lodge. Although we prefer it that way, guests have the option of visiting a nearby pub or restaurant to watch major sporting events

EXTRAS

- 🌿 Daily tariffs exclude discretionary gratuities (see in-room folder for advice if unsure), non-scheduled boat and vehicle transfers, airport transfers, basic laundry, premium beverages, and any other items not listed as inclusive

FEEDBACK

It is important to us that we offer the very best experience and service to our guest

On returning home, you will be emailed a guest appreciation form which we earnestly request that you complete. We also appeal to guests to visit the independent feedback page www.tripadvisor.com Alternately you can post your comments and suggestions directly onto our website: www.sibuya.co.za

INDEMNITY

Our Insurers insist that guests travelling on boats and game vehicles sign an Indemnity Form. This is now standard throughout the industry and we ask guests' indulgence for a few minutes on arrival to complete and sign an Indemnity Form

INSURANCE

It is the sole responsibility of guests to check that they carry the correct comprehensive Travel and Medical Insurance to cover themselves for the duration of their trip

Guests should ensure that they have full Medical, Emergency Evacuation and Repatriation cover for the full period of time that they are travelling

Sibuya strongly recommends additional Insurance to cover cancellation or curtailment of trip. Under no circumstances can Sibuya refund or transfer unused bed-nights caused by such incidences. Sibuya's Insurance does not cover this

Damage, loss or theft of personal luggage, money or goods is not covered by Sibuya or its Insurance

MALARIA

As the Eastern Cape is malaria-free, prophylactics are not necessary

MEDICAL CONDITIONS

Prior to arrival, guests should notify Sibuya's Reservations office of any pre-existing medical conditions. This includes any allergies, such as to bee stings

Sibuya's Reservations office should be informed in advance of any physical disabilities. This is essential as boat access may not be possible and there are limited suitable facilities including accommodation and vehicle seating

PACKING SUGGESTIONS

Due to the steps to the jetties and boat transfers to and from the Lodge , we recommend where possible, guests pack a small travel bag for the duration of their stay and leave large suitcases in their car at Reception

A rain jacket, jersey and long trousers are recommended even in summer

A good pair of binoculars is recommended

Sunblock is essential, preferably waterproof for swimming or water-sports

A bathing costume for swimming in the warm Kariega River, the Lodge pool or in the nearby Indian Ocean

RHINO CONSERVATION LEVY

In March 2016, Sibuya suffered a horrific poaching attack and three of our rhino were slaughtered and their horns removed despite the best efforts of our Anti-Poaching Unit. We cannot offer a true Big5 experience without Rhino so by necessity have to dramatically increase our protective capabilities to protect these magnificent animals. We ask all our guests to please partner with us in this effort to protect our rhino and the species as a whole

WEDDINGS AND CONFERENCES

Sibuya offers a number of Wedding and Conference options. Please enquire at Reception
