Sibuya Game Reserve, Wedding Package: Forest Camp and River Camp

Forest Camp and River Camp are ideal venues for larger weddings with a maximum of 100 guests. These two camps are a 5-minute boat cruise apart, both camps are included in this package. Spread between these two camps, we have a variety of different venue options for your reception and ceremony.

Sibuya can host weddings all year round subject to availability and a minimum number of nights stay according to the time of the year. This often requires booking at least a year in advance. Sibuya does not charge a venue fee for weddings but does charge a coordination fee if required to help with the planning and coordination.

Whilst a wedding is taking place, we cannot accommodate non-wedding guests in the Reserve (due to the music and noise etc.) so all 12 tents in both River and Forest Camps need to be booked for the minimum number of nights as detailed below:

Peak Season: A minimum of three nights in both River Camp and Forest Camp

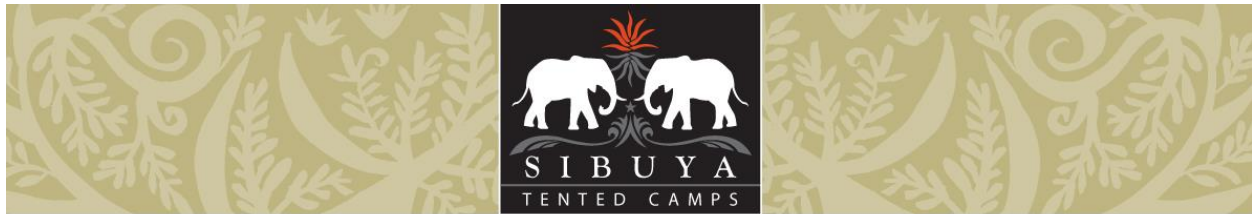

- 15th December to 10th January,
- 1st February to 15th April,
- 15th October to 30th November

All other dates: A minimum of two nights in both River Camp and Forest Camp

- 11th to 31st January,
- 16th April to 14th October,
- 1st to 14th December

General details:

- Sibuya sleeps 24 adult guests – 16 in Forest Camp and 8 in River Camp and most tents can accommodate up to two children sharing as well
- Accordingly, couples need to organize that their family and guests take up the balance of the 11 tents in both camps
- Our rates are fully inclusive of all meals (excluding the reception dinner), boat transfers to/from camp and all game drives for in-house guests
