## FACT SHEET

### Important Information

Thank you for choosing Sibuya Game Reserve ["Sibuya"]. The following information package is intended to give you the necessary information to maximise your Sibuya experience and we earnestly request that you take the time to read it through.

#### AIRPORT TRANSFERS

- ✿ Airport transfers can be prearranged with Reservations and are handled by accredited transporters or by Sibuya Game Reserve.

#### ARRIVALS AND DEPARTURES

- ✿ Scheduled boat transfers leave from Sibuya's Reception in Kenton-On-Sea at 12:00 (noon) and 15:30.
- ✿ **NB: PLEASE ENSURE CHECK IN BY 11:30 or 15:00.**
- ✿ When the later arrival time is required please notify Reception (15:30).
- ✿ Guests are requested to check in at Reception (39 Eastbourne Road, Kenton-on-Sea. Phone number: +27 (0)46 648 1040) at least half an hour before the boat departure times (Travel times: Chief Dawid Stuurman / Gqeberha / Port Elizabeth Airport allow 80-100 min: King Phalo / East London Airport allow 120 min).
- ✿ Departing guests arrive at Reception at 11:15 daily to allow for check- out and departure by 11:30.
- ✿ Complimentary safe parking is available in Kenton-On-Sea.
- ✿ Additional boat transfer times to **be arranged in advance at an additional cost.**
- ✿ For late arrivals a missed afternoon game drive will be replaced by a night drive.

#### INDEMNITY

- ✿ We request your indulgence for a few minutes on arrival to complete and sign an Indemnity Form as our Insurers insist that guests travelling on boats and game vehicles comply. This is now standard throughout the industry.

## MEDICAL CONDITIONS

- ✿ Prior to arrival, guests **must** notify Sibuya's Reservations Office of any pre-existing medical conditions. This includes any allergies, such as food or bee stings etc. Please understand the Camps are situated in the bush and doctors are not readily available.
- ✿ For guests who suffer from sleep apnoea and who travel with a sleep apnoea machine, we have one tent in both Forest and River Camp with a power socket for this purpose. **Please notify Reception in advance of guests traveling with apnoea machines, so that we may allocate accommodation appropriately.**
- ✿ Sibuya's Reservations Office should be informed in advance of any physical disabilities. This is essential as boat; vehicle or accommodation access may be compromised.

## MALARIA

- ✿ As the Eastern Cape is malaria-free, prophylactics are not necessary.

## PERSONAL INSURANCE

- ✿ It is the sole responsibility of guests to check that they carry the correct comprehensive Travel and Medical Insurance to cover themselves for the duration of their trip.
- ✿ Guests should ensure that they have full Medical, Emergency Evacuation and Repatriation cover for the full period of time that they are travelling.
- ✿ Sibuya's Insurance does not cover any travel eventualities. Therefore, we strongly recommend additional Insurance to cover cancellation or curtailment of trip.
- ✿ Under no circumstances can Sibuya refund or transfer unused bed-nights caused by such incidences, including damage, loss or theft of personal luggage, money or goods.

## ACCOMMODATION

- ✿ Tented Camps and Lodge all with bathroom-en-suite: King, Queen-sized or single beds and sleeper couches for children sharing with adults or parents.
- ✿ Forest Camp and Bush Lodge only accommodate children over 12 years of age who are charged the full adult rate.
- ✿ River Camp makes every effort to accommodate families with children.

## DIETARY REQUIREMENTS

- ✿ **Sibuya's Reservations office must be informed in advance of any special dietary requirements. This is essential, as most catering is done in our main kitchen which is not situated at the Camps or Lodge.**

## CHILDREN

- ✿ Due to the proximity of the Camp to the river, it is recommended that children under the age of 3 are supervised by an adult at all times.
- ✿ Special meals for children are offered on request, however as there is no charge for children under the age of 3, and parents are requested to supply their own baby food.
- ✿ Baby-sitting facilities are offered at a nominal extra charge. We strongly recommend that parents with young children make use of this service to allow them time off to enjoy game drives.
- ✿ Up to the age of 12 children may share with adults at 50% of the adult rate.
- ✿ Children older than 12 years of age will be charged the full adult rate whether sharing with parents or staying in a separate tent.
- ✿ A guided game drive vehicle will be allocated to all bookings with children under the age of 6 years – there will be no extra charge.

## ELECTRICITY

- ✿ **Bush Lodge** has 220v electricity, therefore air conditioners, hairdryers and other electrical appliances may be used.
- ✿ **Forest and River Camp** have limited electrical connectivity. Lighting is provided by a solar system with emergency generator backup. There are plug points in the main lodges for charging cell-phones and camera batteries.
- ✿ In the Camps there is **insufficient power for hairdryers and other electrical appliances**.
- ✿ For guests' convenience, each Camp keeps most of the commonly used adapters.

## EMAIL, INTERNET AND TELEVISION

- ✿ Cell phone signal is intermittently available in the Lodge, Camps and on the Reserve.
- ✿ Wi-Fi is available in Reception and all venues in the main lodges.
- ✿ Television **is not** available at Sibuya. Although we prefer it that way, guests have the option of visiting a nearby pub or restaurant to watch major sporting events.
- ✿ We do however recommend that guests switch off and enjoy the tranquillity!

## BAR

- ✿ Sibuya supplies most drinks on a complimentary basis. This includes spring water, non-alcoholic beverages, beers, basic spirits and a limited choice of fine South African house wines.
- ✿ Guests are welcome to bring their own wines, imported champagnes or spirits; alternatively, guests may order in advance and Catering will arrange on their behalf for their account.

- ✿ A limited selection of premium wines is available on request at an additional cost.
- ✿ As plastic water bottles are one of the largest pollutants in the world today, Sibuya actively attempt to limit their carbon footprint by issuing all guests with a re-usable, branded “Sibuya” water bottle and we ask that you support us in our goal, by refilling these bottles with purified spring water freely available in the Camps and Lodge, rather than using a multitude of small disposable commercial bottles of water.

## ACTIVITIES

- ✿ Standard activities included in the daily tariff consist of boat transfers to and from the Reserve, two guided game drives in an open 4x4 vehicle, daily boat cruises, fishing, canoeing, bird watching, picnics, bush walking and swimming in the river. Bush Lodge guests have the use of a heated swimming pool.
- ✿ Optional activities that attract an additional charge include spa treatments, cookery lessons with a connoisseur chef, deep-sea fishing, golfing, specialist-guided bird watching and horse-riding on the Reserve or nearby beach.
- ✿ The unpredictability of coastal weather means that some of these activities cannot be booked in advance, but need to be arranged by your Guide on request.

## PACKING SUGGESTIONS

- ✿ We recommend that guests pack, where possible:
- ✿ A small travel bag for the duration of their stay on the Reserve and leave large suitcases in their car at Reception.
- ✿ A sun hat, rain/warm jacket and long trousers are recommended even in Summer.
- ✿ Warm clothes especially for boat cruises and chilly river-bank evenings, despite weather predictions.
- ✿ A good pair of binoculars.
- ✿ Sunblock is essential, preferably waterproof for swimming.
- ✿ Bathing costume.

## RHINO CONSERVATION LEVY

- ✿ In March 2016, Sibuya suffered a horrific poaching attack in which three of our rhino were slaughtered and their horns removed despite the best efforts of our Anti-Poaching Unit. A second devastating attack in April 2023, in which two females were shot dead and a baby shot and wounded, strengthened our resolve to protect these iconic animals.  
  
By necessity we have had to dramatically increase our protective capabilities to ensure the safety of these magnificent animals.
- ✿ We ask all our guests to please partner with us in an effort to protect our rhino and the species as a whole.

## WEDDINGS, CONFERENCES & ALL OTHER SPECIAL EVENTS

- ✿ Sibuya offers a number of options.
- ✿ Please direct all enquiries to [marketing@sibuya.co.za](mailto:marketing@sibuya.co.za).
- ✿ Website: [www.sibuya.co.za](http://www.sibuya.co.za).

## EXTRAS AND CREDIT CARDS

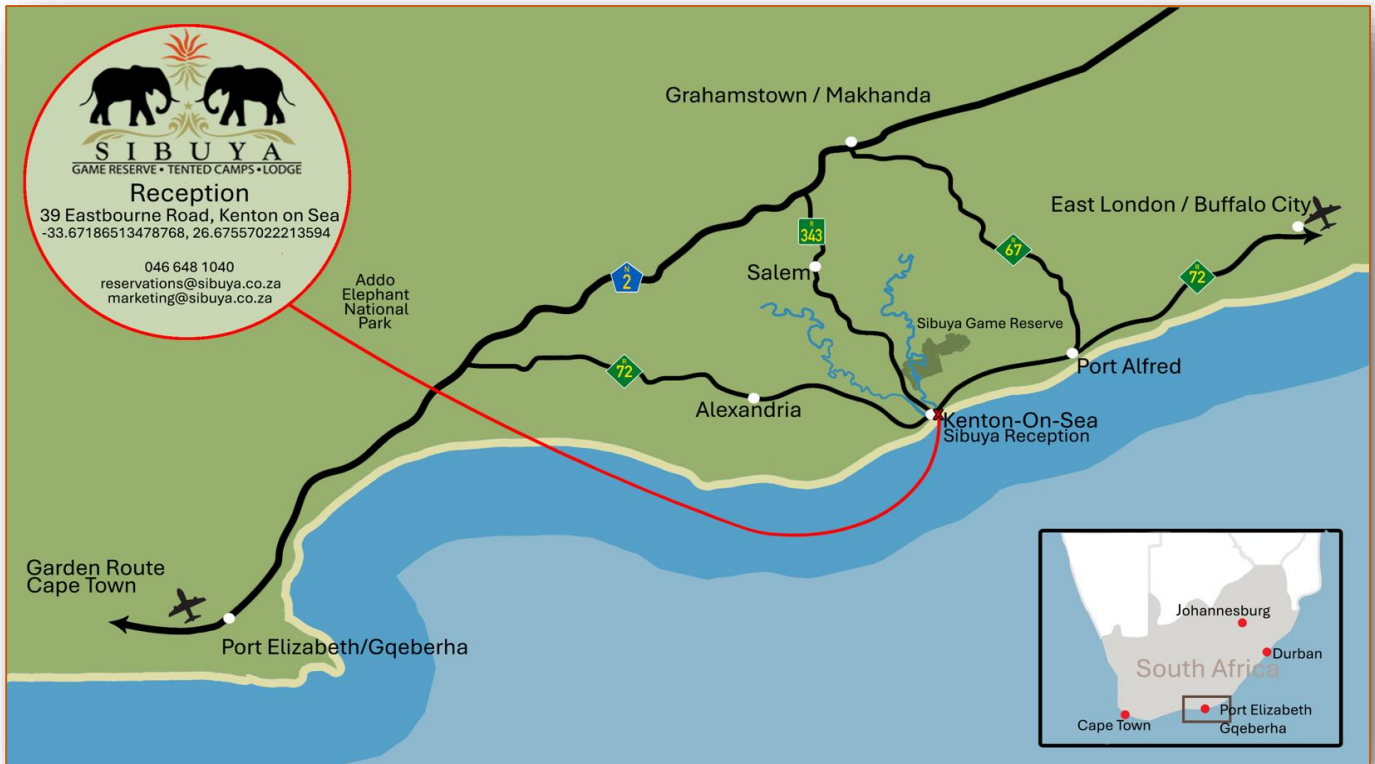

- ✿ Daily tariffs exclude discretionary gratuities (see in-room folder for advice if unsure), non-scheduled boat and vehicle transfers, airport transfers, premium beverages and any other items not listed as inclusive. Any outstanding accounts must be settled at Reception prior to departure. Sibuya accepts payment by American Express, Diners Club, Master or Visa Cards.

## FEEDBACK

- ✿ It is important to us that we offer the very best experience and service to our guests.
- ✿ On returning home, you will be emailed a guest review form which we earnestly request that you complete. We also appeal to guests to independently share and review their experience on [www.tripadvisor.com](http://www.tripadvisor.com).
