

Lilyfontein Raises an Incredible R37 189 for Rhino Conservation!

We are absolutely thrilled to announce the outstanding success of our recent fundraising initiative in support of rhino conservation. Thanks to the incredible efforts of our school community, Lilyfontein has raised a remarkable R37 189 for @sibuya_game_reserve! It is always a privilege to partner with Sibuya, whose tireless dedication to rhino conservation serves as a constant source of inspiration for us all. Their commitment to protecting these magnificent creatures is truly commendable, and we are honoured to contribute to their vital work. A huge thank you to every learner, parent, and supporter who contributed to this fundraising effort. Every single cent and every ounce of effort truly makes a significant difference in the fight to protect our rhinos. Your generosity and commitment are deeply appreciated. Special appreciation goes to our wonderful sponsors, who generously provided

adding an extra layer of excitement and motivation to our fundraising activities. Your support has been invaluable. Congratulations to Gr5L, our top fundraising class! Your exceptional efforts have earned you the honour (and fun!) of shaving Mr. Schemel's head! Your enthusiasm and dedication are truly inspiring. And an extra big well done to Rachael McMaster, who raised the highest individual amount and won an exciting game drive at Inkwenkwezi! Your outstanding achievement is a testament to your passion for rhino conservation. Together, we are making a real difference in protecting our rhinos and proving that every Lilyfontein adventure helps make the world a wilder, better place. By working together, we can ensure that these iconic animals continue to thrive for generations to come. Our amazing sponsors: Technovan | @_hey_clay | Hemingway'sMovies | @cafefelix
